

SolarInvert Energy Solutions

All black dual solar panels

Overview

All black photovoltaic modules combine sleek aesthetics with high performance, ideal for residential rooftops. Their design maximizes light absorption, reduces reflection, and improves heat dissipation, enhancing efficiency.

All black dual solar panels

130W All Black Small Double Glass Solar Panels

Instead of using plastic backing like regular panels, we sandwich 36 high-quality solar cells between two layers of strong 2.0mm or 3.2mm tempered glass. This smart design protects ...
