

SolarInvert Energy Solutions

New Zealand solar system suppliers

Overview

Who are NZ solar installers?

Trusted by NZ installers. We supply premium solar panels, inverters, batteries, cables, and mounting systems — all in stock locally for fast delivery. Our global brand partnerships mean proven performance and reliability. Expect sharp pricing, responsive service, and tech you can trust — so your installs are faster, easier, and more profitable.

Should you buy a solar power system in NZ?

Solar power is becoming one of the leading energy resources in NZ today. And with the continuous rise of companies and households switching to solar energy, you might want to consider buying one, too!.

Where can I get a solar panel sourced in New Zealand?

Get your home or business checked for solar feasibility with zero obligation. YHI is a local supplier that offers numerous options for your power needs, including solar panels, energy storage, inverters, and more. Their products are sourced from some of the best brands in New Zealand and the Pacific Islands.

Who are Solar Partners NZ?

By continuing to browse the site, you are agreeing to our use of cookies. Solar Partners NZ are the only authorised distributor of Enphase products in NZ. We're a premier solar system wholesaler, trainer & business support hub.

How much does a solar power system cost in New Zealand?

\$14,350.00! 20 Suntilite 250W Solar Panels, 5kW Solax String Inverter, supplied and installed. New Zealand's best Solar Power Systems! The price of solar has come down significantly over the last decade, making now the ideal time to invest in installing your own Solar Electricity Generation System.

Who is the best solar company in New Zealand?

When it comes to solar power needs, World Solar has proven to be one of the best--with an impressive list of clients all throughout New Zealand. They will help you with everything, from getting a quote to installation. Why choose World Solar?
