

SolarInvert Energy Solutions

Seychelles perc component

Overview

How many people live in Seychelles?

The country has a total population of 121,355 people, three-quarters of whom live on the main island of Mahé. Seychelles has Africa's highest gross domestic product (GDP) per capita, at \$16.7 billion (2023). Its economy is highly dependent on tourism and fisheries, and climate change poses long-term sustainability risks.

Where can I find economic statistics in Seychelles?

In Seychelles, the National Bureau of Statistics is the primary data repository for economic statistics. It also houses social statistics; however, these appear to be less well represented.

What is the University of Seychelles?

University of Seychelles, initiated in conjunction with the University of London, opened on 17 September 2009 in three locations, and offers qualifications from the University of London. Kevin Betsy, football coach and former professional footballer.

Where is Seychelles located?

An island nation, Seychelles is located in the Somali Sea segment of the Indian Ocean, northeast of Madagascar and about 1,600 km (860 nmi) east of Kenya. The Constitution of Seychelles lists 155 named islands, and a further 7 reclaimed islands have been created subsequent to the publication of the Constitution.

What are the main economic activities in Seychelles?

Table 9: Seychelles main economic activities and those that are part of the Blue Economy
Economic activity Blue Economy activity Agriculture No
Aquaculture Yes Coastal Tourism Yes Curio Trade Yes Fisheries Yes Forestry No
Mining No Shipping and Ports Yes Adapted from: UNEP-GEF-WIO-LaB

Project (2008) .

What products are produced in Seychelles?

The prime agricultural products currently produced in Seychelles include sweet potatoes, vanilla, coconuts and cinnamon. These products provide much of the economic support of the locals. Frozen and canned fish, copra, cinnamon and vanilla are the main export commodities.
