# Where are the Luster battery cabinets produced

## Overview

---

What is a luster pod battery?

The Luster pod battery offers compact luxury and a customizable experience. CCELL ® Luster pod batteries are ideal for the most viscous oils and extracts. This powerful battery generates unmatched vapor in a sleek and accessible design. Style and Strength. The Luster pod vape batterie's constant power output prevents overheating and product waste.

Do luster pods work with other vape systems?

The Luster pods only work with Luster power supplies and vice-versa. There is no compatibility with other vape pod systems like the Pax Era, Gpen Gio, or other CCELL pod systems. How to Open a Luster Pod. Once the Luster pod is sealed it cannot be reopened. this means it is not a great product for customers looking to refill their spent pods.

Why should you buy a luster pod vape Batterie?

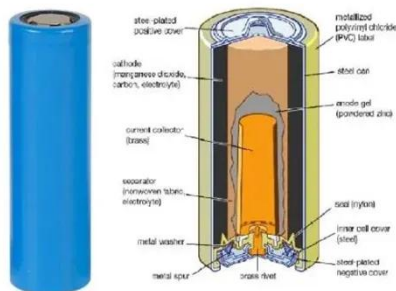

Style and Strength. The Luster pod vape batterie's constant power output prevents overheating and product waste. With no preheating required, users can enjoy even the thickest oils with ease. 3WIN Corp is an authorized wholesale distributor of CCELL ® vape products.

Does Luster pro work with any oil type?

Tailored to work with any oil type, the Luster Pro delivers a smoother, more flavorful hit while maximizing vapor production and efficiency over the life of the pod. You can toggle through the different temperature settings with ease by holding down the side button.
