16-pack battery cabinet dimensions

Overview

What is a model BC battery cabinet?

The Model BC Battery Cabinet is UL Listed and finished in textured red or beige to match the various Gamewell-FCI control panels. The cabinet will house up to four (4) model B-31 or two (2) model B-55 batteries. The heavy duty cabinet, constructed of 16 gauge steel, is phosphate treated and primed with zinc chromate prior to painting.

How many batteries can be stored in a B-31 cabinet?

The cabinet will house up to four (4) model B-31 or two (2) model B-55 batteries. The heavy duty cabinet, constructed of 16 gauge steel, is phosphate treated and primed with zinc chromate prior to painting. Knockouts are located at each end of the cabinet.

How many batteries can a 1085 cabinet hold?

This welded cabinet offers flexibility in adding runtime with a small footprint addition to the overall system. The 1085 model cabinets can support Eaton, CSB, EnerSys, North-star, and Yuasa batteries from 280 watts/cell up to 620 watts/cell. Each cabinet can take 40 battery jars, includes pull out trays with 48V quick disconnects in each tray.

How many jars can a battery cabinet take?

Each cabinet can take 40 battery jars, includes pull out trays with 48V quick disconnects in each tray. The IBC-LW cabinet is a larger battery cabinet that can be used with six different battery models, giving customers runtime flexibility at different price points. Additionally, a single cabinet can support up to 150kW of load.

What is the IBC-SW Battery Cabinet?

The IBC-SW cabinet is our newest and smallest battery cabinet offering, with one large string of batteries inside. This welded cabinet offers flexibility in

adding runtime with a small footprint addition to the overall system.

How many kW can a single cabinet support?

Additionally, a single cabinet can support up to 150kW of load. This cabinet can also be configured as a high rate cabinet (IBC-LHW) to support up to 200kW of load with a single cabinet. The IP5S cabinet is the most compact footprint VRLA offering in the market.
