

## SolarInvert Energy Solutions

# 1MW site energy storage battery container

## Overview

---

What is a Megatrons 1MW battery energy storage system?

MEGATRONS 1MW Battery Energy Storage System is the ideal fit for AC coupled grid and commercial applications. Utilizing Tier 1 280Ah LFP battery cells, each BESS is designed for a install friendly plug-and-play commissioning. Each system is constructed in a environmentally controlled container including fire suppression.

What is a battery energy storage system (BESS) container?

Battery Energy Storage System (BESS) container is a specialized, modular unit designed to house and operate large-scale battery storage systems. These containers are typically used in applications ranging from grid energy storage and renewable energy integration to backup power and commercial solar Storage Batteries.

What is a 1 mw/1.2 MWh battery?

Our 1 MW/1.2 MWh battery storage solution is ready for the most demanding settings and the most unpredictable loads with dependable energy and zero emissions. As you strive to drive down emissions and fuel costs, our 1-megawatt battery gives you a way to store and use energy more flexibly and efficiently.

Why do you need a 1-megawatt battery?

As you strive to drive down emissions and fuel costs, our 1-megawatt battery gives you a way to store and use energy more flexibly and efficiently. But it's more than high capacities that set our BESS solutions apart – our knowledge of your applications means you get a rightsized solution that matches your demand, peaks, and wider energy equipment.

What is an energy storage container?

The energy storage container contains environmental control, power

distribution, fire protection, security, lighting, monitoring, etc. It has the characteristics of convenient installation and space saving.

What is a Bess 1MW system?

The 1MW BESS systems utilize a 280Ah LFP cell and air cooling system which offers a better price to power ratio. Each BESS is on-grid ready making it an ideal solution for AC coupled commercial/industrial customers.

## 1MW site energy storage battery container
