

SolarInvert Energy Solutions

360v lithium battery pack

Overview

Why should you choose expion360 lithium batteries?

This guarantee, coupled with our U.S.-based customer support team (trained in lithium technology), means you can have confidence in a product that's built not only to last but to outlast. Expion360 lithium batteries are expertly engineered inside and out.

Are expion 120 Ah lithium batteries good?

Your Expion 120 Ah lithium batteries are FABULOUS! We had plenty of power all summer using solar panels alone. They are so easy and simple to hook up and unhook. Thank you so much for helping us make the switch. Why does anyone use lead acid batteries anymore?

! Nothing should stop you when you're ready to pursue the next big thing.

Are lithium batteries a good investment?

The Biggest Sale of the Year! Lithium batteries are an investment for adventure. That's why we implemented an industry-leading 12-year warranty to show our customers that we're here for the long run.
