

## SolarInvert Energy Solutions

# 3kw solar mobile energy storage

## Overview

---

The 3KW, 5KW, and 11KW Solar Integrated Energy Storage Machines combine solar power generation, energy storage, and smart management into a single, efficient unit for both residential and commercial use. The 3KW model is ideal for small homes or offices, providing enough power for daily needs.

## 3kw solar mobile energy storage

---

### Portable -GEN-3KW-Mobile power energy storage generator

The 3kW portable mobile generator features power protection devices and two 16A sockets for powering two devices simultaneously. It uses lithium iron phosphate batteries and can be ...
