

## SolarInvert Energy Solutions

# 42kW three-phase inverter

## Overview

---

What is a 43.2 kW inverter system?

This 43.2 kW inverter system includes the primary inverter and 2 secondary inverter units (SESU-USRS0NNN4). This three-phase inverter system is part of a new generation of commercial string inverters that was designed to work specifically with power optimizers.

What is a three-phase inverter?

This three-phase inverter system is part of a new generation of commercial string inverters that was designed to work specifically with power optimizers. Featuring a small and lightweight design, these inverters are wall mounted and offer ease of installation.

Is a 12Kw 3 phase inverter available in SA?

From the latest video from sunsynk, Keith indicates that the 12kw 3 phase inverter is available in South Africa. I haven't found any pricing online yet so interested to know what the retail price will be.

Where can I buy a commercial inverter?

For wholesale pricing and availability contact your local Greentech Renewables or: Note: Two Secondary units are required. SolarEdge's expanded offering of commercial inverters combines large capacity with ease of installation. The inverter design is based on small, lightweight, and easy-to-carry primary and secondary units.

What is a SolarEdge inverter?

SolarEdge inverters are designed to be paired with a SolarEdge Optimizer on each module. Highlights - Specifically designed to work with power optimizers. Quick and easy inverter commissioning directly from a smartphone using the SolarEdge SepApp. Fixed voltage inverter for superior efficiency (97.5%) and longer strings.

How many secondary units are required for a commercial inverter?

Note: Two Secondary units are required. SolarEdge's expanded offering of commercial inverters combines large capacity with ease of installation. The inverter design is based on small, lightweight, and easy-to-carry primary and secondary units. They are wall mounted for a minimal footprint, with installation only requiring a one or two-person crew.
