

SolarInvert Energy Solutions

American double-glass panels

Overview

What is a replacement double glazed glass panel?

Replacement Double Glazed Glass Panels are ideal for cutting costs, while also being better for the environment. This product consists of two panes of tempered glass separated by a spacer. The space between the two panes of glass is filled with air. These are most often used in residential window applications.

Is double pane glass insulated?

Yes, double pane glass is insulated glass with two layers of glass and a gas-filled space in between to save energy and keep your home comfortable. The R-value of insulated glass tells how good it is at keeping your home insulated. A higher R-value means better comfort and energy savings.

What is a double pane glass wall?

As part of the DIRT construction system, the Double Pane Glass Wall delivers without compromise. Get the look and light transmission of glass walls with improved acoustic performance for speech privacy when you need it. All with short lead times, quick installation, and the ability to easily reconfigure your layout when your space requires it.

What is a custom double pane window?

Keeps your home cozy and energy-efficient. Unlike single-pane glass, custom double pane window replacement with Low-E coatings or argon gas or insulating gas-filled panels offer superior performance. Perfect for patios or entryways to block drafts and noise.

What are the advantages of thermal pane glass panels?

Here are four key advantages of thermal pane glass panels: Its thermal conductivity is 27 times better than standard glass, providing unmatched thermal performance and energy efficiency. Enjoy fog-free, condensation-free

results with insulated glass, ensuring clear visibility and enhanced insulation.

What types of glass are available?

Choose from clear and low-iron varieties of tempered or laminated glass in $\frac{1}{4}$ " (6 mm), $\frac{3}{8}$ " (10 mm), or $\frac{1}{2}$ " (12 mm) thicknesses. Custom glass available. Limit transfer of smoke with our non-rated, smoke partition. DIRT's Double Pane Glass Wall delivers without compromise.
