

## SolarInvert Energy Solutions

# Are all photovoltaic modules exported

## Overview

---

Does India export photovoltaic modules?

The export of Indian photovoltaic (PV) modules has risen exponentially by more than 23 times between Fiscal Year (FY) 2022 and FY2024, primarily to the US, which accounted for more than 97% of India's exports in both FY2023 and FY2024.

Is India a net importer or exporter of photovoltaic (PV) products?

India is making significant progress in transitioning from a net importer to a net exporter of photovoltaic (PV) products. In Fiscal Year (FY) 2024, Indian PV manufacturers exported approximately US\$2 billion worth of PV modules. The export value of PV modules from India increased by more than 23 times in just two years between FY2022 and FY2024.

What are solar PV module shipments?

Solar PV module shipments include imports, exports, and modules produced and sold domestically, but they exclude modules shipped for resale. These shipments have steadily increased since 2006, driven by significant price declines and policy incentives that encourage solar PV installation.

What percentage of solar PV shipments are imported?

In 2019, 94% of total solar PV shipments were imports. Anti-dumping tariffs imposed on solar products from China and Taiwan in 2012 and 2014 led some solar PV manufacturers located in these countries to outsource their production to countries not covered by the anti-dumping duties.

How many kilowatts is a single solar PV module?

In 2019, U.S. shipments of single solar photovoltaic (PV) modules, also referred to as solar panels, reached a record-high of 16.4 million kilowatts (kW).

## What happened to solar PV modules in 2018?

In 2018, solar PV module shipments recorded the fewest shipments since 2014, largely as a result of new tariffs. Effective February 7, 2018, the U.S. government placed tariffs on imported solar cells and modules, starting at a 30% tariff rate and decreasing five percentage points each subsequent year for four years.

## Are all photovoltaic modules exported
