

SolarInvert Energy Solutions

Asian building solar power generation for home use

LiFePO₄ Battery, safety

Wide temperature: -20~55°C

Modular design, easy to expand

Wall-Mounted&Floor-Mounted

Intelligent BMS

Cycle Life: ≥ 6000

Warranty: 10 years

Overview

Development of a 145MW floating photovoltaic solar power project will be built on 225 hectares of surface area on the Cirata Reservoir in West Java province, Indonesia.

Asian building solar power generation for home use

Southeast Asian Solar Power Set to Surge as Costs Drop Below ...

Southeast Asian nations are stepping up plans to invest in and deploy solar power as the cost has dropped below that for gas-fired power plants, according to analysts and government officials.
