

## SolarInvert Energy Solutions

# BESS price for power generation container in Denmark

Nominal Capacity

**280Ah**

Nominal Energy

**50kW/100kWh**

IP Grade

**IP54**

## Overview

---

BESS containers aren't "set-it-and-forget-it"—annual O&M costs eat into profits if unmanaged. For a 10MW/20MWh project (the most common size in European grid and industrial applications), here's what to expect: €180,000–€300,000 (€500–€1,000/day for 360 operational days; outsourced vs. in-house).

## BESS price for power generation container in Denmark
