### Home Energy Storage (Stackble system)

#### Product Introduction

- Scale from 10kWh to 50 kWh
- Self-Consumption Optimization
- Integrated with inverter to avoid the compatibility problem
- LFP battery, safest and long cycle life
- Stackable design, effortless installation
- Capable of High-Powered Emergency-Backup and Off-Grid Function

### Energy Storage Systems and Components , BD , TÜV Rheinland

We provide you comprehensive testing and certification for energy storage systems and components from a single source to lower cost and expedite success. Our name stands as a ...
