

SolarInvert Energy Solutions

Battery cabinet national standard 2 2KWH

Overview

What is a galaxy lithium-ion battery cabinet?

Meet Schneider Electric's Galaxy Lithium-ion Battery Cabinet. The Schneider Electric-exclusive Galaxy Lithium-ion Battery Cabinets for 3-phase UPSs are a sustainable, innovative energy storage solution for data centers, industrial processes, and critical infrastructure.

What is Galaxy lithium-ion battery Data Kit?

Data kit option to record Galaxy Lithium-ion Battery operation history and event logs through out life span, which can be used for technical analysis and warranty. In addition to doubling battery life, Lithium-ion battery solutions provide predictable, consistent runtime performance.

Are lithium-ion battery cabinets ul9540a-compliant?

Lithium-ion Battery Cabinets for 3-phase UPSs are sustainable, innovative energy storage solutions for data centers, industrial processes, and critical infrastructures. This UL9540A-compliant battery solution reduces battery footprint and weight by up to 70%, allowing more effective use of space.
