

## SolarInvert Energy Solutions

# Bhutan explosion-proof lithium battery pack

## Overview

---

Who makes explosion proof lithium ion battery?

As 19 years manufacturer of explosion proof battery, Large Power provide Exib & Exd explosion proof Lithium ion Battery for mine, oil well, petrochemical and other explosion-proof places.

Who makes the best custom lithium ion battery pack?

Since its foundation in 2002, Large Power has been dedicated to provide the best custom lithium ion battery pack for worldwide users. And has accumulated rich experience in li ion battery field.

Can lithium battery pack be used in underground coal mining?

In coal mining industry, specifically in underground coal mining, the requirements on lithium battery pack applications are very stringent with various engineering constraints imposed on them, which, in most cases, make the application of lithium technology in such an environment unfeasible or impractical.

Are lithium batteries prone to thermal runaway?

Despite the rapid progress in material development and technology for higher-energy-density and safer lithium batteries, current lithium battery technology is still exposed to the risk of thermal runaway, although the probability is relatively low.

## Bhutan explosion-proof lithium battery pack
