

SolarInvert Energy Solutions

Black Mountain Low Carbon Energy Storage System

Overview

Who is Black Mountain Energy Storage?

Leveraging cumulative decades of electric market experience, Black Mountain Energy Storage develops powerful, flexible, and strategically placed battery energy storage projects to foster a resilient electric grid. BMES' quickly expanding team of energy experts are fast actors in pipeline development of utility-scale energy storage solutions.

Will recurrent buy Black Mountain Energy Storage?

Today, Recurrent announced the acquisition of two standalone energy storage projects from Black Mountain Energy Storage. The projects, which are in the South Load Zone of the Texas ERCOT market, are each anticipated to store up to 200 MWh of energy.

Did UBS acquire Black Mountain Energy Storage?

UBS Asset Management today announced the acquisition of five standalone, development-stage energy storage projects in Texas from Black Mountain Energy Storage. Read more. Cypress Creek Renewables has added 400MW/600MWh to its storage portfolio after acquiring four Texas standalone energy storage projects from Black Mountain Energy Storage.

Does Black Mountain Energy have a seismic project in the Canning Basin?

Black Mountain Energy completes seismic line clearing activities at its Valhalla project in the Canning Basin. The company will now look to begin seismic data acquisition work, with a planned Odin 2D seismic program to result in 130 kilometers of additional data.

Why did Cook exempt Black Mountain Energy from Western Australia's onshore gas ban?

Deputy Premier Roger Cook's department exempted a Texan oil and gas company, Black Mountain Energy, from Western Australia's onshore gas ban

in the hope it will build a pipeline to open up the region to more gas production.

What happened to Black Mountain Energy's Valhalla gas project?

Black Mountain Energy (BME) reportedly achieved several key milestones for its Valhalla gas project during the June quarter — its second quarter since listing on the ASX. The company was admitted to the official list of the ASX on December 23, 2021 after completed an IPO which raised \$11 million.
