# Campus outdoor solar integrated machine

## Overview

---

Where can you find solar charging workstations?

You can find these solar charging workstations at college and corporate campuses, outdoor classrooms and offices, parks & trails, business parks, golf courses, stadiums, and other outdoor areas throughout the United States. Sunbolt's best-selling workstation is perfect for studying, socializing, and keeping everyone in charge.

What is a Sunbolt solar workstation?

Sunbolt Solar Workstations are engineered with the highest solar power output, providing superior off-grid autonomy, and charging performance. Equipped with multiple charging outlets and high-capacity battery banks, these are ideal outdoor site amenities for charging cell phones, tablets, laptops, and other mobile devices.

Where can I install the Solar Zone?

The Solar Zone can be installed anywhere and does not require foundations or underground electrical work. Featuring Bluetooth programmable LED lighting and data monitoring, the Solar Zone is available with optional bench seats and web based data monitoring. Solar Zones are also ADA Compatible.
