

SolarInvert Energy Solutions

Central African Republic battery bms manufacturer

Overview

Who is Africa's leading battery manufacturing company?

Africa's leading battery manufacturing company. ABM (Associated Battery Manufacturers) is the leading battery manufacturing company in Central and Eastern Africa, and the only battery manufacturer in Kenya.

Who are associated battery manufacturers (ABM)?

ABM (Associated Battery Manufacturers) is the only battery manufacturing company in Kenya, and the largest in East and Central Africa. We produce both vented and maintenance free batteries for automotive and solar use. We pride ourselves on maintaining the highest possible standards of safety, ingenuity and environmental responsibility.

What makes ABM a great battery manufacturer?

ABM dominates the battery market, offering high-quality options for various applications, ensuring reliability and durability across industries. ABM extends its battery manufacturing operations, providing dependable power solutions and fostering accessibility through strategic partnerships.
