Overview

Where can I buy used plastic pallets?

Wood can also spread dirt and debris that can clutter your workspace. You will find a wide variety of heavy duty & cheap plastic pallets for sale at Container Exchanger, including new and used pallets. You can buy used plastic pallets to save money on shipping materials.

Where are plastic pallet boxes made?

Our factory is located in Changzhou city which is near to Shanghai and Ningbo port. The company occupied about 55,000㎡ and has about 150 employees. Plastic pallet boxes have revolutionized the logistics and storage industry, providing a durable, eco-friendly, and versatile solution for transporting and storing goods.

What are stackable plastic pallets?

Consider stackable plastic pallets when your typical product loads are very heavy, and you need to stack-load products in your warehouse operations. These plastic pallets reduce storage and transportation costs. The consistent lightweight design facilitates handling and makes these plastic pallets optimal carriers for export.

What industries use plastic pallets?

Food and beverage industry: Plastic pallets are widely used in the food and beverage industry due to their hygienic properties, as they are resistant to moisture, chemicals, and bacteria. Pharmaceutical industry: Plastic pallets are preferred in the pharmaceutical sector because they can be easily cleaned and do not absorb moisture or odors.

What are the different types of pallets?

Pallets intended for moderate reuse applications. Depending on the style of plastic pallet, some models are much lighter weight, and thus are easier to

handle than wood pallets, plastic pallets that can be used for various industries and applications.

Can You reuse plastic pallets?

Available in several styles and sizes, and for a variety of applications, plastic pallets or plastic skids for sale will suit almost any shipping need. You can reuse plastic pallets for years on end without damaging your products. Just clean off the pallet and it will be ready for another load.
