

SolarInvert Energy Solutions

Customized lithium battery pack with inverter

Overview

Who assembles a custom battery pack?

Assembled in the USA, Cell-Con designs and assembles custom battery packs to meet the needs of application regardless of complexity. If your application requires a larger format custom battery from 300Wh to 30kWh and beyond, we are ready to provide a solution.

Why should you choose a custom lithium-ion battery?

With stringent adherence to safety standards and compatibility with diverse drone systems, our custom lithium-ion batteries cater to the unique needs of aerial photography, surveillance, mapping and surveying, search and rescue, agricultural, and more.

What is a custom LiFePO4 battery pack?

Our custom LiFePO4 battery packs are made in cylindrical and prismatic formats. LiPo batteries allow for greater flexibility and ensure the perfect fit for vehicles, machinery, and other various devices with unusual dimensions and weight requirements. Why Choose CMB As Your Custom Battery Pack Manufacturer?

What is a customized battery pack?

Our customized battery packs are designed to provide reliable and efficient power storage for various industries and applications. By leveraging our customized battery packs, you can optimize your GPU's performance while maintaining portability and flexibility.

What makes CMB a great battery pack company?

CMB boasts a highly skilled and experienced custom battery pack engineering team led by a CTO with over 15 years of experience in lithium-ion battery technology with industry giants CATL, BYD, and BAK. Our team of 5 specialized engineers brings diverse skills in design, manufacturing, testing,

and quality control.

What is a custom battery pack assembly service?

CMB's custom battery pack assembly services involve evaluating battery chemistries, casing design, and management systems based on customer needs. The process encompasses basic and advanced lithium battery pack design features, each tailored to meet specific requirements.

Customized lithium battery pack with inverter

Custom Lithium Battery Pack Manufacturer & Supplier , Gushine

Li-ion battery packs manufactured by Gushine are engineered for a wide range of applications, from handheld terminals and smart hardware to robotics and medical devices. As a full custom ...
