

## SolarInvert Energy Solutions

# El Salvador photovoltaic energy storage 60kw inverter brand

## Overview

---

We innovate with solar photovoltaic plant design, engineering, supply and construction services, contributing to the diversification of the energy matrix in our.

We provide operation and maintenance services (O&M) for solar photovoltaic plants. These services are provided by a team of world-class operators with support.

The AES Energy Storage platform provides a high-speed response to deliver energy to your system the moment it is required. This platform counts on advanced.
