

## SolarInvert Energy Solutions

# Energy storage cabinet with inverter

- ✓ **ALL IN ONE**
- ✓ **100Kw/174Kwh  
High Capacity**
- ✓ **Intelligent  
Integration**

## Overview

---

Which inverter is suitable for control cabinet installation?

Installation Installation accessories Installation MOVIDRIVE® system application inverters are exclusively suitable for control cabinet installation according to the degree of protection. Installation accessories Type designation Part number Plastic cover Quantity MDX9\_A-0460 - 0750-5\_3-. 28243625 MDX9\_A-0420 - 0570-2\_3-.

What is a compact energy storage system?

The compact design integrates the battery and inverter into a single unit, saving valuable space while simplifying installation and operation. This fully integrated energy storage system offers an all-in-one design that simplifies installation and operation, making it a plug-and-play solution for residential energy needs.

What is a fully integrated energy storage system?

This fully integrated energy storage system features a comprehensive all-in-one design, incorporating essential switches for battery fuses, photovoltaic input, utility grid, load output, and diesel generators.

## Energy storage cabinet with inverter
