# **Ethiopia Energy Storage Project Planning**

## Overview

---

This paper introduces an innovative approach to promote sustainable electrification in Ethiopia through the strategic development of minigrid clusters. In collaboration with Ethiopian authorities, techni.

## Ethiopia Energy Storage Project Planning

---

### Ethiopian power system expansion master plan

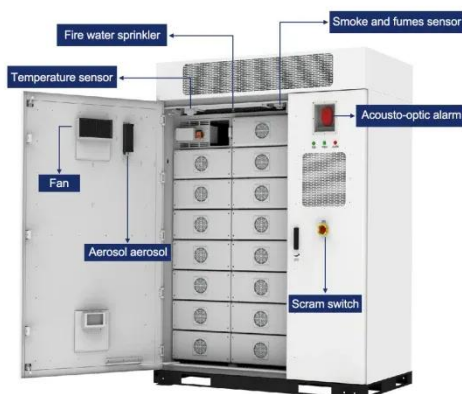

The hydro profiles in the model are from the EAPP 2011 Master Plan except for Ethiopia that has provided updated profiles for their entire system. The Ethiopian profiles are from the study ...
