

SolarInvert Energy Solutions

Huawei Russia Energy Storage Project Company

Overview

Why is Huawei building for itself in Russia?

The position Huawei is building for itself in Russia can be seen as illustrative of the ties between the two countries, ties that include elements of defence and security collaboration. And this leads into the technical consideration.

Does Huawei have a Research Center in Russia?

Huawei already has two research centers in Russia, one in Moscow and one in Saint Petersburg, and plans to expand to three new locations. The company hopes to cooperate with the Russian scientific community, universities and research centers, but the specific areas of cooperation have not yet been announced.

Will Huawei expand its cloud presence in Russia?

Kommersant has reported that Huawei is planning to expand its cloud presence in Russia with space in St. Petersburg and Yekaterinburg data centers. The company says it is aiming to become a “top three player” in the Russian cloud solutions market over the next three years.
