

SolarInvert Energy Solutions

Inverter power price in Nigeria

Overview

How to buy an inverter in Nigeria?

Get any of your preferred type of inverter at kara online store. However, buying an inverter is one and getting an equipment to power it is another. An inverter can be powered with an inverter battery which stores current after receiving charge from solar panels or through the use of a generator or Mains electric supply from PHCN in Nigeria.

Are inverters a good alternative to generators in Nigeria?

In recent times, individuals and organizations in Nigeria have seen inverters as an alternative source of electricity whenever there's power failure. Unlike generators, inverters are noiseless and don't cause pollution that affects the environment adversely.

What is a portable inverter consumer device?

Portable inverter consumer devices allow the user to connect a battery, or set of batteries, to the device to produce AC power for running various electrical items such as lights, televisions, kitchen appliances, and power tools that give you entertainment and pleasure in your home.

What is a power inverter?

Power inverters convert energy stored in a battery to AC current to power your appliances. Power inverters are widely used in the switched mode power supplies inverting stages. The circuits are classified according to the switching technology and switch type, the waveform, the frequency and output voltage waveform.

How much does a 200AH 12V inverter battery cost?

The cost of a sealed maintenance-free dry cell 200AH 12V battery typically ranges from N150,000 to N200,000. On the other hand, wet cell battery types are cheaper, costing around half the price.

Are inverters a good solution to power failure?

Inverter is approved as a better solution to power failure due to their low noise, high efficiency and emission free operations as well as their convenience. Best inverters in Nigeria are efficient and reliable devices that come in a variety of sizes and power ranges to meet just about any power need.
