Is Montenegro's 5G base station under construction

Overview

When will 5G be available in Montenegro?

"Our goal is to develop the network parallel in all regions of Montenegro, helping the 5G service to become available in most municipalities by the end of March," Nastic added. M:tel launched its first 5G base station, located in the capital Podgorica, in July 2022.

Will Montenegrin 5G reach 80% by 2024?

February 2 (SeeNews) - Montenegrin mobile services provider M:tel, part of Telekom Srbija group, said it sees its 5G coverage in the country reaching 80% by the end of 2024. In 2023, M:tel installed base stations at fifty key locations across the country and started their network integration.

How many mobile phone subscribers are there in Montenegro?

At the end of 2023, the number of mobile phone subscribers in Montenegro was up 3.1% year-on-year to 1,312,960, as M:tel had a 36.7% share of total, followed by Crnogorski Telekom with 36.4% and One with 26.9%. Your complete guide to the emerging economies of Southeast Europe.
