Kosovo containerized power generation BESS

Overview

Kosovo intends to build the first battery energy storage system (BESS) in the region, which will have 170 MW of capacity and come online in 2028, a senior government policy advisor told Montel on Thursday.

Kosovo containerized power generation BESS

BESS

X-Pact® Battery Storage is the advanced, reliable, modular and scalable containerized BESS solution for any energy management strategy in any environment. BESS technology enhances ...
