# Latest photovoltaic aluminum module prices

## Overview

---

How much does a photovoltaic module cost?

Mainstream Modules: Average price of €0.11/Wp, stable compared to September but 21.4% lower than January 2024. Low-Cost Modules: Average price of €0.065/Wp, a 7.1% decrease from September and 27.8% from January 2024. These trends are exerting mounting pressure on the photovoltaic sector.

How much does a photovoltaic panel cost?

Mainstream Photovoltaic Panels: Average price of €0.10/Wp, down 9.1% month-on-month. Low-Cost Photovoltaic Modules: Average price of €0.060/Wp, a decrease of 7.7% compared to the previous month. These figures underscore the significant pressures in the photovoltaic market, as price reductions strain margins to unprecedented levels.

Do PV modules lose resale value?

For historical secondary market PV module pricing from 2020 through 2023, download the 2023 PV Module Price Index from EnergyBin's Resources portal. Overall, the price index shows that new PV modules don't tend to lose resale value in the U.S. secondary market unless their technology is older, such as Legacy POLY modules.

How much do Topcon modules cost?

One developer source says they are seeing \$0.29/W to \$0.32/W quoted for TOPCon modules from "preferred" manufacturers in countries subject to the ongoing AD/CVD case, while American producers assembling modules with Indonesian cells are offering prices in the low 0.20s/W.

How much does a resale module cost?

Prices jumped each time "Made in America" modules, whether P-Type or N-Type, were introduced into the mix. For example, N-Type modules by REC

listed for resale in May and July pushed up weighted average prices to \$0.411 and \$0.460 respectively.

How many inverters does a PV system use?

The DC cables are connected to 19 utility-scale central inverters, each rated at 4 MW ac, giving the PV system a rated AC power output of 76 MW ac, which corresponds to an inverter loading ratio of 1.32. The inverters are made in Europe in a plant that produces 250 of them each year. These inverters are not subject to import tariffs.
