

SolarInvert Energy Solutions

Latvian Communication Photovoltaic Base Station Equipment Customization Factory

Overview

How many base stations are there in Latvia?

The company was founded in 1994 and started its operations with the supply of radio stations and other communication equipment to the National Guard of the Republic of Latvia. In 2001, started cooperation with “Tele2” on the design and construction of base stations. To date, more than 300 base stations have been designed and built.

Who is the official representative of Motorola Solutions in Latvia?

BELSS is the official representative of Motorola Solutions in Latvia with a Platinum certificate of Authorization. BELSS operation is certified according to AQAP 2110 and ISO 9001 standards. In Latvia, BELSS is the first company to be awarded an AQAP certificate. SIA Belss has entered into agreement No. 20.07.2016.

Does belss have an AQAP certificate in Latvia?

In Latvia, BELSS is the first company to be awarded an AQAP certificate. SIA Belss has entered into agreement No. 20.07.2016. SKV-L-2016/601 with the Latvian Investment and Development Agency on receiving support under the measure “Promotion of International Competitiveness” co-financed by the European Regional Development Fund. Belss A4 ENG Pre

Latvian Communication Photovoltaic Base Station Equipment Customization

Telecom Base Station PV Power Generation System Solution

Single Photovoltaic Power Supply System (no AC power supply) The communication base station installs solar panels outdoors, and adds MPPT solar controllers and other equipment in the ...
