

SolarInvert Energy Solutions

Lithium battery OEM for energy storage systems in Portugal

Overview

Will China build a lithium battery factory for cars?

The project to build a lithium battery factory for cars owned by the Chinese company CALB in Sines, with 15 GWh (Gigawatts/hour) of energy storage, is launched.

What is lithium advanced technology?

LIADTEC, Lithium Advanced Technology, is a leading provider of advanced energy storage solutions, focusing on innovative lithium battery technology. Our flagship products, including LiFePO_4 cylindrical batteries, offer faster charging times, greater energy efficiency, and enhanced durability compared to traditional lead-acid batteries.

Where will the new lithium battery factory be built?

In a statement sent to the Lusa news agency, the Chinese company, a global leader in the production of lithium-ion batteries, announced that the project for the construction of the latest generation lithium battery factory will be launched on Monday at the Técnico Innovation Center, in Lisbon.
