Lithium battery pack 220v

Overview

What is a 240V Lithium Power Pack?

Be ready for blackouts, bush trips, or off-grid living with this versatile 240V lithium power pack. Designed for Australian conditions, it provides dependable AC and DC power wherever you need it - no mains required. Whether you're camping, working remotely, or facing a storm-induced outage, this unit keeps your essentials running. Key Features:.

What is a lithium-ion battery pack?

The Lithium-Ion battery packs at La-Z-Boy have multiple functionalities. Here are some of them in a nutshell. Works with all La-Z-Boy power recliners, sofas, and sectionals (excluding lift chairs). Red flashing light while charging, green steady light when fully charged (approx. 5-7 hours charge time).

What is a lithium ion battery?

Lithium-ion batteries are a relatively newer technology that offer intelligence, communication, higher energy density and longer life, while eliminating the need for service and maintenance like watering and following complicated charging processes.

Are lithium batteries safe?

Yes, lithium-ion batteries are very safe when properly designed, manufactured, and when used as intended. Are there any special requirements or certifications needed to handle lithium batteries?

Yes, lithium batteries should ship in accordance with UN38.3 and hazmat guidelines. How do I return a battery?

.

Is Inventus power a certified lithium-ion battery?

This field is for validation purposes and should be left unchanged. Inventus Power offers advanced, globally certified lithium-ion battery solutions like the PROformance and U1LiFe Series, emphasizing safety, innovation, and reliability across diverse industries.

Do Inventus batteries ship hazmat?

Yes, lithium batteries should ship in accordance with UN38.3 and hazmat guidelines. How do I return a battery?

A battery can only be returned with an RMA claim. Once a valid RMA claim has been made, the Inventus Power Customer Service Team will provide packaging and shipping guidelines to safely return a battery.
