

## SolarInvert Energy Solutions

# Lithium battery pack 6v 170ah

## Overview

---

What is a slimline 170ah lithium battery?

These slimline 170Ah Front-Terminal lithium batteries are engineered to be thinner and more lightweight compared to traditional lithium batteries, making them ideal for applications where space is limited or weight reduction is crucial. The perfect slimline battery for camping, 4WDing & Solar.

What makes a 6v170 a good battery?

The 6V170 top terminal cells and monoblocs deliver superior performance whilst occupying less space than conventional standby power batteries. The use of V-0 rated flame retardant ABS plastic for the thick wall containers and lids offers high mechanical strength with excellent safety features.

What is a 6 TB 170 battery?

The 6 TB 170 battery has a screw terminal with screwed-on cone adapter (connection terminal 4). Hoppecke is a leading manufacturer of industrial batteries. The batteries are developed and manufactured in Germany for a variety of applications. Hoppecke trak bloc 6 TB 170 / 6V 170Ah (C5).

What is the EnerSys® powersafe 6v170 battery?

The EnerSys® PowerSafe 6V170 battery from Specialist Power Systems has been designed specifically for use in applications that demand the highest levels of security and reliability.

What is the difference between 12 TB 60 and 6TB 170 batteries?

The 12 TB 60 is used particularly frequently in cleaning machines, e.g. by Kärcher. The 6 TB 170 battery has a screw terminal with screwed-on cone adapter (connection terminal 4). Hoppecke is a leading manufacturer of industrial batteries. The batteries are developed and manufactured in Germany for a variety of applications.

How do I contact EnerSys® 6v170?

Call us on 01234 851155 to discuss your requirements and how we can help you find the right product and support. For more information, please call us on +44 (0) 1234 851155 or send us a message below. The EnerSys® 6V170 has been designed specifically for use in applications that demand the highest levels of security and reliability.
