

SolarInvert Energy Solutions

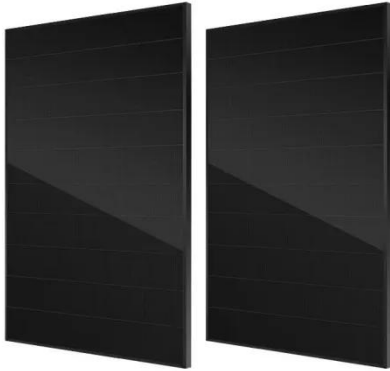

Lithuania photovoltaic module project

Overview

The construction of the largest on-site photovoltaic installation in Lithuania is nearing its final stages. ORLEN Lietuva, a subsidiary of the ORLEN Group, is wrapping up its first solar power plant, which will directly supply the Mažeikiai refinery.

Lithuania photovoltaic module project

Lithuania deploys 240 MW of solar in H1

Lithuania added 240 MW of solar in the first half of 2025, pushing cumulative capacity past 2 GW, with residential systems making up more than half of the total.
