Malawi Photovoltaic Energy Storage Power Station Project Construction

Overview

The Dwangwa Solar Power Station is a 55 MW (74,000 hp) under development in . The power station, owned and under development by Valtalia, the multinational (IPP), has an attached 10MWh (BESS), raising the power station's generation capacity to 65 MW. The electric power generated here will be sold to the national electricity utility company,

Malawi Photovoltaic Energy Storage Power Station Project Construction

Dwangwa Solar Power Station

The electric power generated here will be sold to the national electricity parastatal utility company, Electricity Supply Corporation of Malawi (ESCOM), under a 20-year power purchase ...
