Overview

What is Steelcase Flex Mobile Power?

Our furniture is inspired by innovative research in workspace design. Inspired by ceramic tableware, Steelcase Flex Mobile Power is a beautiful and functional way to help people stay powered up anywhere in the workplace.

Are Lex portable power distribution boxes waterproof?

Lex products portable power distribution units have NEMA 3R, 3R Weather Resistant or 3R Rainproof environmental ratings depending on the distro box. The indoor distro boxes have a NEMA 1 Indoor environmental rating, like the versatile 100 amp 3 phase PowerHOUSE™ Pagoda portable distribution box.

Are Lex powerhouse™ & powerrack™ portable distribution boxes cULus listed?

Lex Products PowerHOUSE™ and PowerRack™ portable distribution boxes are cULus listed and ready to deliver fail-safe, convenient, long lasting products for the entertainment, industrial, and military industries that need durable and innovative power they can rely on.

What are load master™ series portable power distribution boxes?

Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads. These temporary power distribution boxes feature 1, 3 or 4 adjustable circuit breakers, with a range of amperage and voltage ratings.

How many amps does a power distribution box have?

Our power distribution boxes range from 20-800 Amps and are well known for being durable, long lasting and safe. Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads.

What is a portable power distribution rack?

This portable power distribution rack is engineered with a compact, space-saving design ideal for in-use operation, transport, and storage. Built for rugged durability and certified to cULus standards, this combo rack is an all-in-one solution for dynamic, temporary applications.
