

SolarInvert Energy Solutions

Mongolia energy storage power supply manufacturer

Overview

The power station has an installed generation capacity of 50 MW and storage capacity of 200 MWh. It is connected to the 220/110/35 kV Baganuur Substation on its southeastern side.

The Baganuur 50 MW Battery Storage Power Station (: Багануурын 50МВт хүчин чадалтай батарей хуримтлуурын станц) is a in , , .

The contract to construct the power station was signed on 6 September 2024. Groundbreaking for the construction of the power station was held on 15 September 2024. In early.

The power station was constructed by Envision Energy general contractor company from China. The Monhorus International.
