Morocco Energy Storage Photovoltaic Power Station

Overview

Ouarzazate Solar Power Station (OSPS), also called Noor Power Station (نور, for) is a solar power complex and auxiliary diesel fuel system located in the region in , 10 kilometres (6.2 mi) from town, in Ghessat rural council area. At 510 MW, it is the world's largest (CSP) plant. With an additional 72 MW

The two projects, located near the north Moroccan town of Midelt in the Atlas Mountains, each have a solar capacity of 400 MW and are both combined with 602 MWh of battery energy storage. Acwa Power will be responsible for the design, funding, construction, operation and maintenance of the projects.
