

## SolarInvert Energy Solutions

# Nepal s largest photovoltaic energy storage power station

## Overview

---

Nuwakot Solar Power Station is located at of . It is the largest of Nepal. The plant is owned by (NEA). The solar panels are installed in six locations within the premises of which is also owned by the NEA. Energy generated by the project is connected to the 66 kV sub-station of Devighat Hydropower Station. The solar station generates energy only during the daytime.

## Nepal s largest photovoltaic energy storage power station
