

SolarInvert Energy Solutions

New Zealand Portable Power Wholesale

Overview

What are the best portable power stations in New Zealand?

Grid Escape's ATB & Pecron Portable Power Stations range are designed to withstand New Zealand's harsh elements. These compact yet robust units are perfect for any scenario, whether exploring the great outdoors, powering through work at a remote construction site, or staying prepared during an unexpected power outage.

Why should you buy a Powertec generator in New Zealand?

When you need power most Powertec generators are your first choice. New Zealand is growing at a fast rate with construction sites popping up on every corner. Powertec is there, bringing you reliable power to keep you up with the boom times. Powertec is not just for the good times though.

What is the wholesale market in New Zealand?

The wholesale market is where generators sell electricity and retailers buy electricity. Retailers then on-sell that electricity to businesses and households across New Zealand. There are about 80 generation companies, 62 retailers and 6 gentailers (generator-retailers) in New Zealand's wholesale market.

How many wholesale companies are there in New Zealand?

There are about 80 generation companies, 62 retailers and 6 gentailers (generator-retailers) in New Zealand's wholesale market. The remaining wholesale market participants comprise distribution and network companies and traders in secondary markets, such as financial hedges.
