

# **SolarInvert Energy Solutions**

# New photovoltaic module project in Mali

# **Overview**

Mali has taken a major step towards renewable energy independence by launching its first fully nationally owned solar panel factory. While a second solar panel factory exists in Mali, this new facility is the first to be entirely owned by Malian stakeholders.

# New photovoltaic module project in Mali

# Novawind to Deploy 200 MWp of Solar Photovoltaic in Mali

The Russian NovaWind will urgently install 200 MWp of photovoltaic solar energy in Mali. As the electricity crisis continues to slow the development of Mali's economy, ...
