

SolarInvert Energy Solutions

Niger Photovoltaic Container House

Overview

Due to the significant amount of traffic passing through Niger, the German federal government was prompted to focus on Niger as well as Mali in its.

The solar container and storage system provides residents, where daytime temperatures are around 45°C, to move activities to the evening hours, when.

To ensure that the installation runs smoothly and sustainably, Africa GreenTec has hired a guard and an electrician, who will receive training from the German.
