

## SolarInvert Energy Solutions

# Outdoor communication power supply large capacity BESS

## Overview

---

Is C&I Bess a good battery storage provider?

**Product Description** As a trusted lithium energy storage provider, our Outdoor C&I BESS offers unmatched safety and reliability. Its LFP lithium-ion technology ensures high performance for commercial lithium battery storage, with advanced safety features like pressure relief and fire protection.

What is C&I Bess?

Our C&I BESS Solution uses patented LFP lithium-ion technology, delivering dependable commercial lithium battery storage with pressure relief and fire protection features tailored for tough outdoor conditions.

What makes C&I outdoor energy storage system unique?

Our outdoor C&I energy storage system features an intelligent, modular design that allows seamless expansion to meet growing energy demands. Optional features like optical storage integration and micromesh ensure adaptability as your business scales. Is the Outdoor Energy Storage System environmentally friendly?

.

How does C&I Bess reduce electricity costs?

C&I BESS cabinet reduce electricity costs by leveraging peak-valley electricity price arbitrage, improving renewable energy utilization, and participating in demand response programs. What are the payment terms?

Sample order: 100% payment before shipment; Bulk order: 30% deposit before production, 70% balance before shipment.

What is Polarium Bess?

Polarium BESS protects your business from unreliable power supply caused by

blackouts or planned shutdowns. Secure critical reserve power. Superior to diesel generators and lead-acid batteries (lower TCO, longer lifetime, higher energy density) Participate in ancillary services or demand response programs to help stabilize the grid.
