Papua New Guinea Communications Branch 5G base station

Overview

Does Papua New Guinea have a new mobile operator?

SES and Vodafone. New mobile operator will boost further digital opportunities in PNG Luxembourg, 1 June 2022 – Papua New Guinea (PNG) now has a new mobile service provider to choose from as Digitec Communications Limited (t/a Vodafone PNG) and SES have partnered up to provide 4G and 5G high-speed mobile broadband services.

Does Papua New Guinea have a mobile and Internet market?

“Papua New Guinea's mobile and internet market has enormous growth potential, but this has been hampered by geographical challenges, limited speed and connectivity choices,” said Ivan Fong, director at Vodafone PNG.
