

## SolarInvert Energy Solutions

# Portable household energy storage device

Voltage range

**636V-876V**

Rated voltage

**768V**

Cell type

**Lithium iron phosphate**

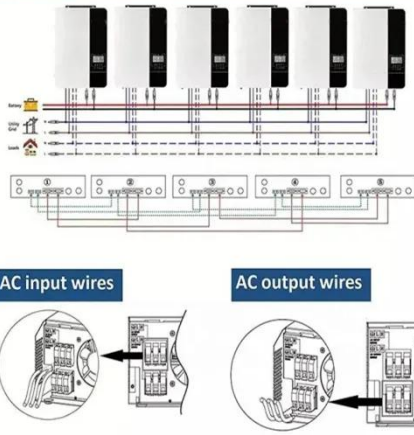

## Overview

---

Portable energy storage devices provide an efficient and versatile power solution during outages, so you never have to be in the dark. Read on to learn why portable energy storage is a must-have, how it can benefit you, and how brands like Goneo are changing the landscape of energy solutions.

## Portable household energy storage device

Parallel (Parallel operation up to 6 unit (only with battery connected))
