130kWh 60kW

Overview

What is a custom battery pack?

Engineers design and tailor custom battery packs to meet the specific requirements of a particular device or application. Unlike off-the-shelf batteries, manufacturers build custom packs to exact specifications, considering size, shape, voltage, capacity, and environmental conditions.

What types of lithium batteries are available?

Choose from our comprehensive range of custom lithium battery technologies: ultra-thin 7.4V LiPo cells for wearables, high-capacity 48V 18650 packs for power tools, or robust 72V LiFePO4 systems for electric vehicles. Each battery type is engineered for specific applications with optimized performance characteristics.

What are rechargeable lithium-ion batteries used for?

Rechargeable lithium-ion batteries find extensive use across a broad spectrum of applications. Some of the areas where our battery systems excel include: Our power packs are ideal for medical carts, handheld devices, surgical equipment, monitoring devices, and more. We have the ISO 13485 certificate for manufacturing batteries for medical devices.

What is a custom LiFePO4 battery pack?

Our custom LiFePO4 battery packs are made in cylindrical and prismatic formats. LiPo batteries allow for greater flexibility and ensure the perfect fit for vehicles, machinery, and other various devices with unusual dimensions and weight requirements. Why Choose CMB As Your Custom Battery Pack Manufacturer?

Why should you choose a custom lithium-ion battery?

With stringent adherence to safety standards and compatibility with diverse drone systems, our custom lithium-ion batteries cater to the unique needs of

aerial photography, surveillance, mapping and surveying, search and rescue, agricultural, and more.

What is a custom battery pack assembly service?

CMB's custom battery pack assembly services involve evaluating battery chemistries, casing design, and management systems based on customer needs. The process encompasses basic and advanced lithium battery pack design features, each tailored to meet specific requirements.

Portugal professional custom lithium battery pack

Top 10 Battery Manufacturers In Portugal

In this article, we will explain more about the top 10 battery manufacturers in Portugal, both through direct production and international collaborations related to the battery ...
