

SolarInvert Energy Solutions

Portuguese new energy storage box manufacturer

Product Details

Overview

Galp, a Portuguese energy company, has announced plans to build a 5 MW/20 MWh battery storage system in Portugal, in collaboration with Powin. The system at one of Galp's solar plants will enable it to adjust its PV production profile and meet its energy requirements. How much money will Portugal spend on energy storage projects?

This included six projects from Spain's Iberdrola, which secured nearly EUR 20 million in public funding. Portugal's Ministry of Energy has announced that it has allocated EUR 100 million (\$104.2 million) to 43 energy storage projects which should be installed by the end of 2025.

How many projects were selected in Portugal's 2025 energy storage procurement?

A total of 43 projects were selected from 79 applications in Portugal's 2025 energy storage procurement. This included six projects from Spain's Iberdrola, which secured nearly EUR 20 million in public funding.

What does Portugal's energy storage tender mean for the energy transition?

Portugal's government has announced the outcome of an energy storage tender that will see the installation of 500 MW of energy storage capacity to support the country's energy transition. Energy storage battery. Photo by Anna Vasileva.

What is Portugal's Energy Plan?

Portugal's updated energy plan targets 80% renewable electricity by 2026 and 85% by 2030. Marija has years of experience in a news agency environment and writing for print and online publications. She took over as the editor of pv magazine Australia in 2018 and helped establish its online presence over a two-year period.

What percentage of Portugal's electricity is renewable?

In 2024, renewables supplied 71% of Portugal's electricity, with record production of 36.7 TWh, according to grid operator REN. Portugal's updated energy plan targets 80% renewable electricity by 2026 and 85% by 2030. Marija has years of experience in a news agency environment and writing for print and online publications.
