

## SolarInvert Energy Solutions

# Qatar Energy Storage Power Generation

## Overview

---

While their core business remains focused on oil and gas, QatarEnergy is strategically investing in solar power and exploring battery storage solutions to diversify its portfolio and contribute to a more sustainable future.

## Qatar Energy Storage Power Generation

---

### QatarEnergy 'captured and successfully stored' around 7.5mn ...

In 2025, the Ras Laffan and Mesaieed solar power plants will add a combined 875MW to Qatar's solar power generation capacity, joining Al-Kharsaah's 800MW.
