

SolarInvert Energy Solutions

Self-built wind power generation system

Overview

If you're like me, who can't stand the noise of a generator and the stench of gas, consider a wind generator. We have solar panels installed at home, but for an alternative energy source, a DIY wind turbine can come in handy.

 A homesteader.

 This good old.

 A large-scale.

 A simple.

Self-built wind power generation system

How to Make a Small Wind Turbine Out of Household ...

With a bit of creativity and some basic materials like PVC pipes, magnets, and wires, you can construct your own small-scale wind turbine to ...
