

SolarInvert Energy Solutions

Senegal Photovoltaic Energy Storage Power Station

Overview

Independent power producer, Africa REN, has commissioned a 20MW of solar PV power plant with a 10MW/20MWh battery energy storage system (BESS) in Senegal. Named the Walo Storage project, it marks West Africa's first solar installation with dedicated energy storage for frequency regulation.

Senegal Photovoltaic Energy Storage Power Station

Senegal Photovoltaic Energy Storage Container

The project involves the construction and operation of a 30 MWp solar photovoltaic power plant with a 15 MW/45 MWh battery energy storage system in Niakhar, Senegal, and the installation
